## Invitation

### ONTRAS costumer meeting on 23<sup>rd</sup> August 2011

With the cooperation agreement IV (KoV IV Gas) being in force on 1<sup>st</sup> October 2011 and the launch of the primary capacity platform TRAC-X primary of all German transmission system operators in August 2011, the face of the Capacity Management in Germany change significantly. This has far reaching implications for all market partners: fundamental processes need to be recreated or reorganized.

As one of the transmission system operators, ONTRAS has actively participated in developing the primary capacity platform and the cooperation agreement IV. We would like to share our gained experiences with you.

We invite you for

**Tuesday, 23<sup>rd</sup> August 2011, 10:00 a.m.**  
**at the pentahotel Leipzig**

to our ONTRAS costumer meeting.

We would like to present following topics:

- ◆ Frameworks - What will be different for the shipper?
- ◆ Allocation of primary capacity on the common platform TRAC-X primary
- ◆ ONTRAS capacity products
- ◆ Billing processes - What remains, what will change?
- ◆ GATRAC - Gas Transport Cooperation - New Developments

We are looking forward to interesting discussions and conversations with you.

You will receive the detailed agenda at least two weeks before the costumer meeting. To register please fill in the attached fax form and send it back by **12<sup>th</sup> August 2011**.

Yours sincerely,

Dr. Ulf Kreienbrock  
Head of Capacity and Services
