Deregistration of Network Point

Network Point

Metering Point

Capacity [kWh/h]

End date of supply contract

I accept the current network access conditions of ONTRAS Gastransport GmbH.

In deviation from Section 2 of Federal Network Agency resolution BK7-06-067 of 20 August 2008 concerning the definition of uniform business processes and data formats for supplier changes in connection with gas supply, at last amended by Decision of 28 October 2011 (BK7-11-075), this form is used for network deregistration by the old supplier
